Thanks & Giving AUTUMN NEWS-UP THE RIVER EDITION!

Dear Camp Friend,

THERE'S A BEAUTIFUL TRAIL LEADING OFF INTO THE MOUNTAINS

from what locals call the North Fork, but what we Lutherhaven-ites simply call "Up the river." It's one of the prettiest hikes in all the Coeur d'Alenes.

It's an easy trek—easy enough for my five year-old granddaughter, Lili. I walked it with her this fall: a stunning mix of meandering meadows, shaded canyons, and towering cliffs; through tufts of bear grass and swathes of huckleberries; up forested ridges with chance views of farther reaches; along bends in the river that often conceal the occasional moose.

On a map you'll see nearby names like Amethyst Peak and Cataract Creek, Cathedral and Steamboat Rocks, Packsack Point and Spyglass Lookout. Shoshone Mountain Retreat. McPherson Meadows.

The last two names, because Lutherhaven Ministries is there in that place. For God went before us. God saw our way.

FOR 75 LUTHERHAVEN SUMMERS, no matter what path our outdoor ministry has walked, God has been one step ahead. No matter what mountain we've come up against, God has already been climbing it. No matter on what passage the times have taken us, God has been a hundred steps further. God has piloted our course and prepared our steps, flattened the land and guided our journey, uncovered the gems along Lutherhaven's trail and laid them out before us.

TWENTY-ONE YEARS AGO one jewel along that trail is now Shoshone Mountain Retreat. Who'd have imagined a former US Forest Service work center, and depression-era Civilian Conservation Corps camp before that, and rough and tumble logging camp before that—all the way back to the 1880's—would become a nationally acclaimed partner-site to Camp Lutherhaven, a center for outdoor adventure, community outreach, servant leadership development, and Christian faith formation.

But God went before us. God saw our way.

This summer God polished another unlooked-for jewel along our path, a remarkable story that enabled Lutherhaven to round out our McPherson Meadows property with the purchase of Renner House and five stunning acres, to add to the gorgeous land donated last December by Ray and Eleanor Grannis. Now campers of all ages may gather, eat, recreate, and rest together in a place of incredible beauty. For God went before us. God saw our way.

A SHORT DRIVE AWAY, THERE'S A BEAUTIFUL GEM of a building rising along a bend in the river in the heart of the Coeur d'Alene's. From it, there are views of forested ridges and farther reaches... even glimpses of the occasional moose. People traveling up and down the river stop to ask, "What kind of cathedral are you building?"

"Cathedral, ha!" is our reply. "It's Shoshone Mountain Retreat's new dining hall! It's where we eat!" Ready for next summer, the Chow House will gather and serve generations to come, "up the river", as Lutherhaven Ministries takes campers a bit more on the wild side—unplugged, outside, in meaningful, life-changing relationships, all to build and nurture life-long Christian faith.

I HOPE YOU ARE ENCOURAGED by the words of this newsletter. I hope you see the fingerprints of God in this work, of God who goes before us, of God who sees our way! And I hope you might be moved to send a gift of whatever amount to further our endeavors—and especially in support of God's work "up the river" and the gems along the trail of Lutherhaven Ministries! Thank you!

Your servant in Jesus.

"The mountains and hills will burst into song before you, and all the trees of the field will clap their hands."

Shoshone RV Corps Summer Volunteers

SELFLESS, HUMBLE, HARD-WORKING, CHRIST-LIKE SERVANTS. FRIENDS. VOLUNTEERS. THE BEST OF THE BEST!

Dean & Roberta Windham

For the third year, Dean and Roberta spent their summer at Shoshone Mountain Retreat. This year they volunteered 5 months: from mid-May through mid-October. Their work, time, and hearts are invaluable, and we honestly could not do what we do without them.

Dean keeps the 35 acres at Shoshone looking amazing: mowing (ALL!) of the grass, raking, sprinkling, working on all our vehicles, organizing, plus spends a lot of time helping the Ranch (daughter Helen is our Head Wrangler!) with fences, hay, pasture, and horses.

Roberta helps out in multiple ways around camp: (A LOT OF) Laundry, always in the kitchen, flower gardens and cleaning up around camp. Roberta sees the need before we even know there's a need and always shows up exactly when and where she is needed to make daily operations easier on the staff.

Mike & Gloriann Kramer

This was the second summer for Mike and Gloriann who spent two months serving the Silver Valley.

Gloriann serves alongside our Community Project Coordinator to line up service projects for 500 Idaho Servant Adventures' volunteers. They connect with homeowners in making all the details come together to send youth and adult volunteers to serve. They really are the leaders it takes to make leaders.

Mike is hands-on, sharing his construction gifts, both onsite at Shoshone, as well as in the Silver Valley with Idaho Servant Adventures. You can find him working on the Dining Hall addition, leading an ISA service team of 8 kids and adults building a wheelchair ramp, or behind the scenes in the Silver Valley, helping a widow replace some broken windows.

Thank you, God, for stirring the hearts of these servants to serve at and through the ministries of Shoshone Mountain Retreat. Thank you for showing us your heart of service through these, your servants. Amen!

McPherson Meadows: A River Runs Through It

THIS PAST AUGUST, Lutherhaven Ministries made a momentous addition to our nearly 75-year legacy of quality Christian camping for campers of every age, from around the region, across the nation, and around the world. We signed the buy-sell agreement to purchase Barb & Harlan Renner's five acres at our new McPherson Meadows, 20 miles upriver from Shoshone Mountain Retreat.

The purchase brings McPherson Meadows--homesteaded by Frank McPherson a hundred years ago--to just over thirty acres. Lutherhaven's newest property adds a truly wild side to our trey of camps: 700 feet of blue ribbon Tepee Creek on one boundary, the Coeurd'Alene River National Scenic Recreation Trail

taking off from another, and the Spion Kop Natural Area just a stone's throw away.

The property is 20 miles off-grid, and includes solar power, water, septic, and fully furnished Renner House, a wonderful wilderness retreat. Formative program plans include teen camps, family reunions and get-aways, youth group weekends,

and adult devotional escapes...all for smaller groups of 20 to 30.

We are so thankful to Ray and Eleanor Grannis, for their donation last December of McPherson Meadows' original 25 acres; and to Barb Renner, for her heart for passing on to kids, camp, and Christ her and Harlan's 40-year legacy up Tepee Creek

Above all, we thank God for walking before us thru McPherson Meadows-an exciting new Lutherhaven adventure!

"The mountains and the hills will break forth into shouts of joy before you, and all the trees of the field will clap their hands!" -Isaiah 55:12
