

IDAHO SERVANT ADVENTURES!

Changing lives through simple, significant service

"ISA was a life changing experience showing me the beauty in God's creation and people. I was so incredibly impressed with this whole experience. ISA didn't only 'Speak Life' to my Champ Camp buddy, but to me as well! The staff was so kind and helpful. My favorite part was probably the music. I definitely want to come back!"

-Arizona Youth Participant

"I loved that ISA gave me the opportunity to reach out into a community where I'd never been, and change people's lives while simultaneously growing in my own faith."

-Wisconsin Youth Participant

"We get to do what Christ calls us to do and have fun doing it in an absolutely beautiful place."

-Minnesota Adult Leader
